1964 El Lobo

Introduction

San Ramon has long been recognized for its outstanding academic record, its pep and sportsmanship, its athletic excellence. But the school year of 1963-1964 has been an especially significant one in our school's growth. The Class of '64 is the 50th class to be graduated from San Ramon. This year has seen the addition of new language and science labs furnished with the most modern educational devices. The United Nations Club, Ski Club, and Boys' Rooting Association have provided enthusiastic students with understanding, fun, and pep as a part of San Ramon's expanding extra-curricular program.

Let us all look back on the year's accomplishments with the incentive to emulate such progress in the future. Let us march forward with hope and perseverance, coupled with the desire to work toward the betterment of San Ramon, so that it may produce intelligent and alert young people, ready to cope with the problems of the world they enter upon graduation.

To Mr. Mansfield
With Admiration

To this warm, wonderful man who is greatly admired, not only for his abilities as a teacher and coach but also as a friend and confidant - we, the Senior Class, proudly dedicate this 1964 El Lobo.

Your encouragement and interest in us have been an inspiration and opened new paths in our lives.

We hope that you, Mr. Mansfield will accept this small token of our appreciation for it fills only a tiny portion of the huge debt we owe to you.

He is first of all- a TEACHER!

He Is Always Ready To Help Those That Ask For It, Especially His Forensic Team.

His Message to You . . .

My personal congratulations to the Class of 1964. You represent the 50th graduating class from San Ramon Valley Union High School. Your class is not only the largest to graduate, but also represents my first graduation class as the principal of this school.

The task of preparing you for your future represents a team effort on the part of parents and teachers. The task has not been an easy one, but has been one full of frustrations and anxieties, desires and hopes, tears and joy, ambitions and achievements. Your preparation, up to this time, has been as complete and thorough as your parents and teachers could make it.

Let's look at the record and see what your class has done. Your spirit and enthusiasm has been most refreshing and exhilarating. The pep club, student body card sales, and sportsmanship award have shown this. Your athletic endeavors have been both exciting and disappointing. However, your class has shown that San Ramon's teams always put forth the maximum effort. Your scholarship has been noteworthy. Certain of your class will graduate with highest honors. The achievement awards and honor rolls show this. Your strong leadership has provided direction and inspiration to our students and school. The support your class has given to its leaders has shown this.

May each one of you in the Class of 1964 look forward to a future of success, happiness, and achievement as a citizen in our American democracy.

To the Student Body . . .

As I come to the end of four years at San Ramon, I look back on numerous experiences. I have come to realize that serving our student body as president during the school year 1963-1964 has been one of the greatest honors I have ever received, and I want to thank all of you for giving me this opportunity.

The accomplishments of our student government have been many, and I look at the progress we've made with great pride. This progress was made possible by the superior leadership of this year's Student Body officers whom I've greatly enjoyed working with throughout the year. Also, I would like to acknowledge the help of our advisors Mr. Roberts and Miss Schuetz-and thank them for their valuable guidance.

In all, this year has been a large success and has given us, the students of San Ramon something to be proud of.

Sincerely,

Student Council

Mr. Roberts, Advisor; Miss Schuetz, Assistant Advisor

The Student Council plays a very important role in the functioning of a high school . Allowed so much money per year student council's job is to see that it is spent justly and wisely for the good of the entire student body.

Under the advisorship of Mr. Roberts and Miss Schuetz, student council performs many functions. This year's council has increased the number of members by adding the new office of Rally Commissioner. This office is in charge of promoting better rallies.

The Council also acts as a student control force along with Block S. R. In addition hats were purchased for members to allow recognition so they might aid students and also maintain better control.

Board of Control

STANDING LEFT: Patt Mastick, Craig Lazzareschi, Bill Parker, Linda Wilde, Tom Heuer, SEATED: Kathy Hart.

The center of San Ramon's school government, The Board of Control- consists of the student body elective offices: president, vice-president, secretary, and head yell-leader; the appointive office of treasurer and the newly created office of rally commissioner. Besides being considered the executive branch of school government they carry on discussions and prompt decisions so necessary in school government.

Every Friday at 12:30 Bill Parker, Craig Lazzareschi, Linda Wilde, Kathy Hart, Patt Mastick and Tom Heuer meet behind closed doors with Mr. Roberts and Miss Schuetz, student council advisors, to consider ideas and to form the outline of business carried on at the student council meetings each Wednesday. The 1963-64 Board of Control as your representative, helped formulate the student activities which you participated in throughout the year.

Linda,
You're a darling

you this summer. Have
fun this summer and
stay out of trouble!
Good luck always!

The Lessons We Learn Will Stick

In addition to solving the problems of economics, Mr Strobel lectures students on the benefits of buying Donkey Basketball tickets.

In its 54th year, San Ramon continued its record of outstanding academic excellence, whereby 80 per cent of its graduates go on to college.
To improve its facilities three new wings on the west end of the school were used for the first time this year. Two of the wings house four classrooms of ALM language labs and all the tapes, headphones, and buttons associated with them. The other wing consists of new arts and crafts, and biology rooms.

Two new courses were offered this year. World geography helped students gain a knowledge of the four corners of the earth. The senior honors English class started a seminar course which covered such diverse subjects as literature, philosophy, art and music.

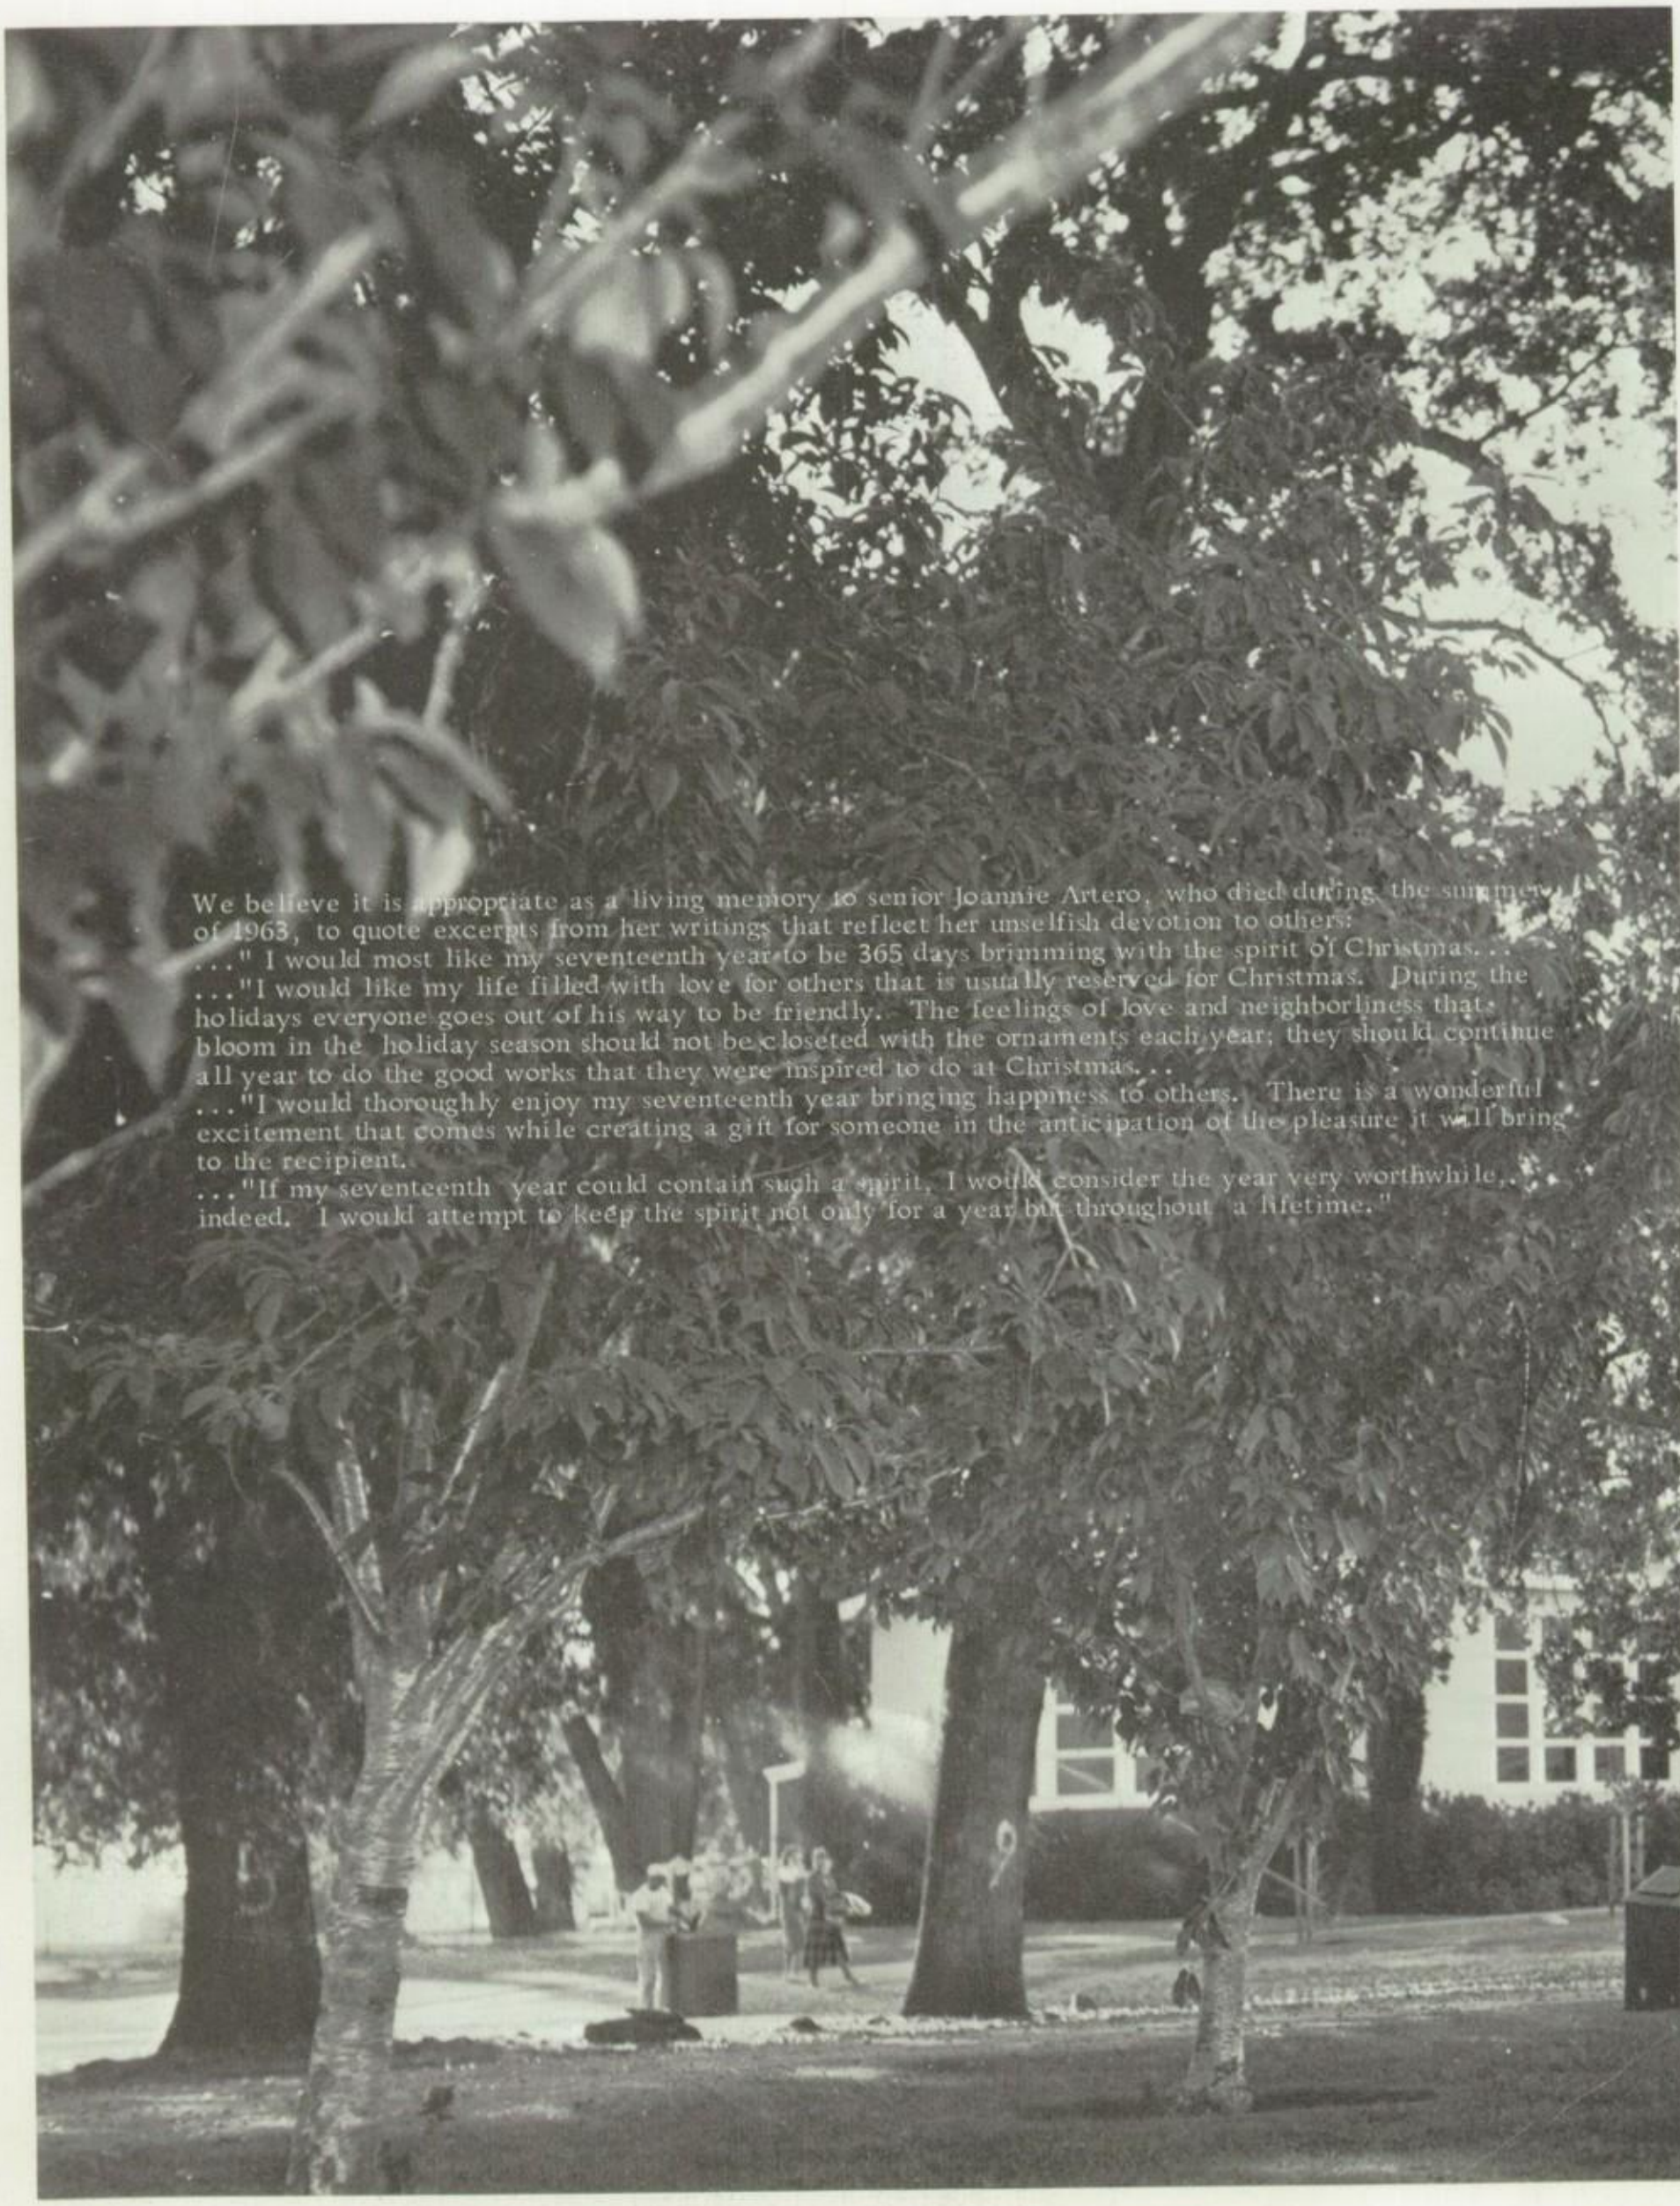
"We're famished," says Ed Maloney, Lee Bothel, and Charles Haagensen.

Ric Smith and Steve Hubbard are always hungry!

"Dear God, Please Take



We believe it is appropriate as a living memory to senior Joannie Artero, who died during the summer of 1963, to quote excerpts from her writings that reflect her unselfish devotion to others:

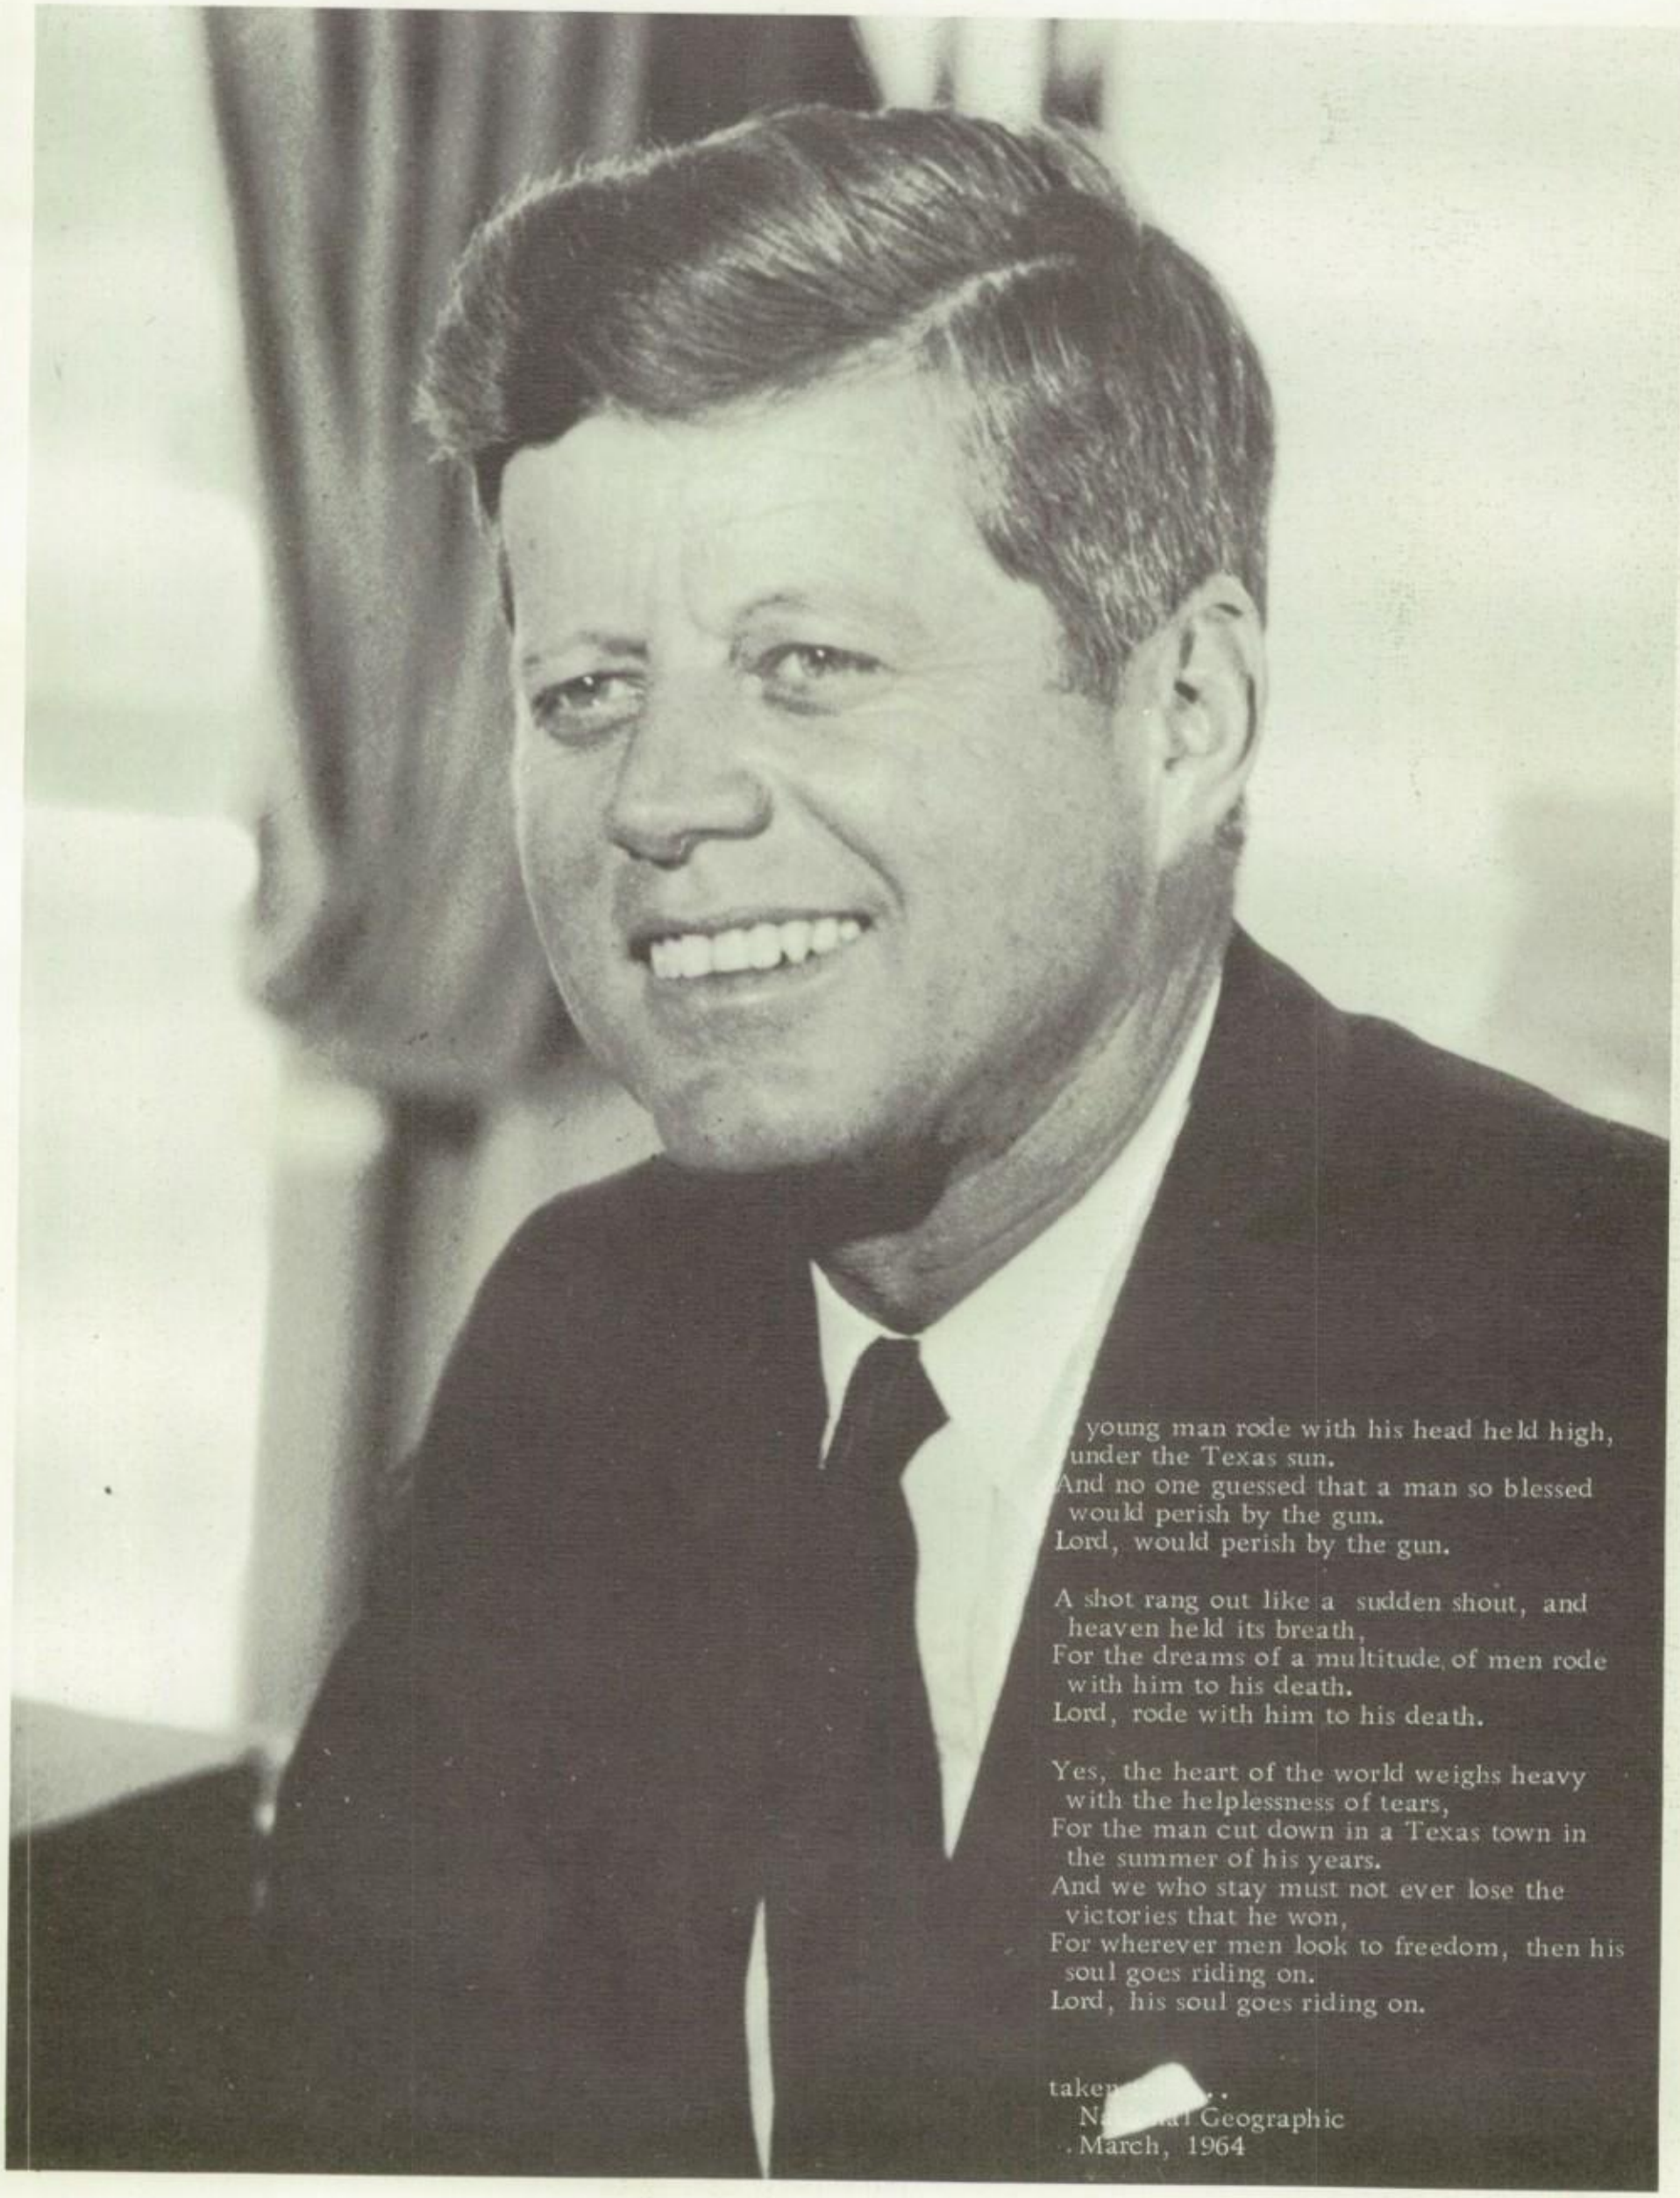
..." I would most like my seventeenth year to be 365 days brimming with the spirit of Christmas...

..."I would like my life filled with love for others that is usually reserved for Christmas. During the holidays everyone goes out of his way to be friendly. The feelings of love and neighborliness that bloom in the holiday season should not be closeted with the ornaments each year; they should continue all year to do the good works that they were inspired to do at Christmas...

..."I would thoroughly enjoy my seventeenth year bringing happiness to others. There is a wonderful excitement that comes while creating a gift for someone in the anticipation of the pleasure it will bring to the recipient.

..."If my seventeenth year could contain such a spirit, I would consider the year very worthwhile, indeed. I would attempt to keep the spirit not only for a year but throughout a lifetime."

Care of Your Servants"



young man rode with his head held high,
under the Texas sun.
And no one guessed that a man so blessed
would perish by the gun.
Lord, would perish by the gun.

A shot rang out like a sudden shout, and
heaven held its breath,
For the dreams of a multitude of men rode
with him to his death.
Lord, rode with him to his death.

Yes, the heart of the world weighs heavy
with the helplessness of tears,
For the man cut down in a Texas town in
the summer of his years.
And we who stay must not ever lose the
victories that he won,
For wherever men look to freedom, then his
soul goes riding on.
Lord, his soul goes riding on.

Hey, wait for me!

I know something they don't know.

Five-hundred and fifty people can do much for the spirit of a school, especially when they are all working together and cheering together. This was the reasoning behind the reorganization of San Ramon's Pep Club.

Business Club

Business-minded students looked to the Business Club as an organization to add an extra enjoyment to their daily lives of typewriters, shorthand pads, and adding machines, besides developing their skills in a business career. A Christmas party was held during which members ate homemade cookies and listened to records. Various trips were planned to different places including Diablo Valley College, the telephone company in Oakland and other business and insurance companies in San Francisco. We Honor Those With Academic Achievement

California Scholarship Federation

Reward for scholastic merit on a statewide scale is the principle the California Scholarship Federation is founded on. To gain admittance to C.S.F. a student must have a total of 10 points. An A in a solid counts 3 points, a B in a solid counts 1 1/2 points, and in nonprepared subjects an A is worth 1 1/2 points and a B is worth 1/2 point.

Under the guidance of Miss James the members take part in the C.S.F. convention and some annual outings.

Life membership and a permanent campus pass is awarded to members who make C.S.F. in four of their last six semesters. This year's life members are Mike Smith, Patt Mastick, Carla Bundrick, Claudia Berndt, Augusta DeSimone, Dianne Schaefer, Sue Reynolds, Cathy Coyle, Marian Van de Water, Suzanne Wood and Devon Nickerson. Rally Committee

Security is a successful rally. At least to the rally committee this is so. On days of games these energetic souls are busy preparing skits and the schedule for a spirit boosting rally. Under the able leadership of Tom Heuer as rally commissioner the San Ramon Student body has seen many original, amusing, and enthusiastic assemblies by this group. The success of our football and basketball games has a lot to do with the spirit a school can display, and the purpose of the rally committee is to squeeze every last bit of spirit from every single student. Mr. Gentile is rally committee advisor.

Reny Came to SR from Rio

I only wish that everything would start all over again so that I would be able to spend another year in the United States. My year at San Ramon has meant for me not only learning, but also new experiences, fun and a better understanding of people everywhere.

I know I will never forget this wonderful year and all the friendly people that I have met here at San Ramon.

Sincerely,

The Senior Class Presented—

"OUR TOWN"

Confirming their established admirable reputation, the Class of 1964 staged one of the greatest Senior Plays ever to be presented at San Ramon. Under the excellent direction of Mr. Cretan, the talented cast of seniors bettered all expectations in surmounting all the difficulties that "Our Town" presented. Much more than entertaining, the play left the audience with a deeper understanding of life and death and a greater appreciation of what high school students can accomplish.

"This play is called 'Our Town!"

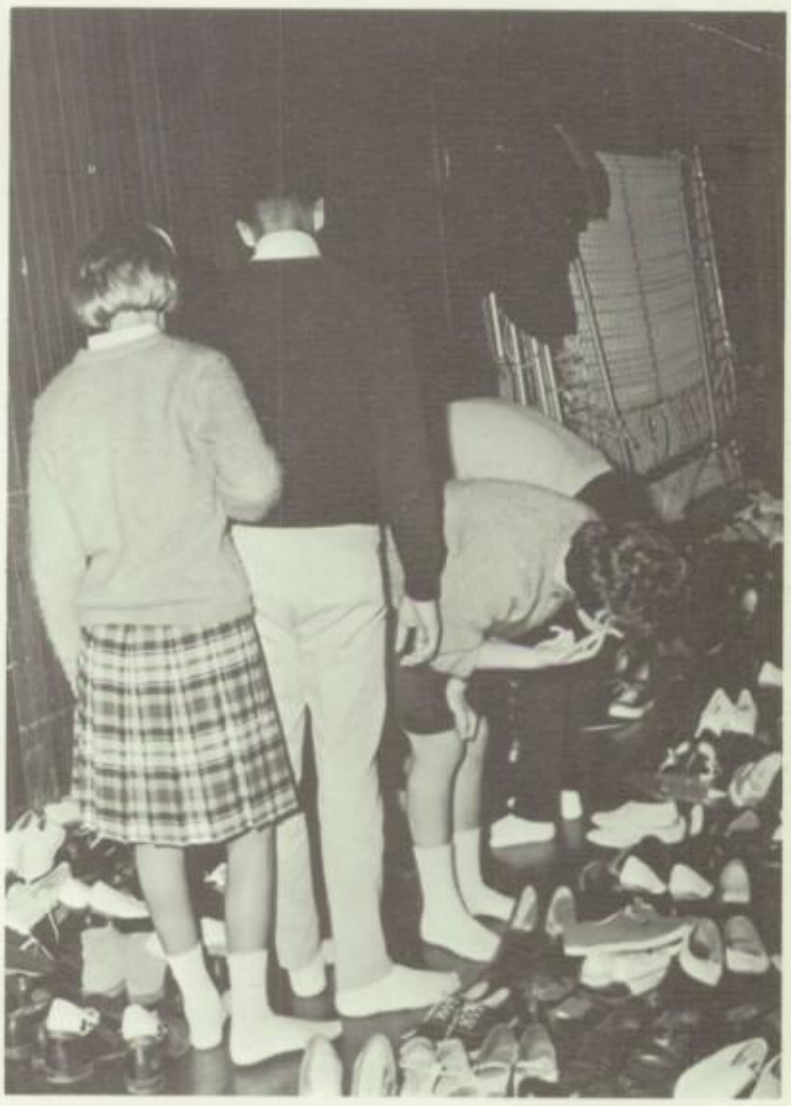
"Under the Big Top"

The first dance of the year boasted gay music and funny side shows as couples danced under the big top. All were delighted by the circus-type refreshments and the informal mood which prevailed.



Recreation Dances

Many times this year, exhilerated students danced to the juke box tunes or guitar music of fellow classmates as the thrill of the games was carried over into the "Rec Dances." These informal affairs were exciting and fun as San Ramon rooters celebrated victories or mourned defeats.

Houstenmen Gain Split in Eight Games

Coach Housten gives an official the word, but as always they stick to their decision.

For the second straight year Coach Houston's varsity eleven had to settle for an even break in eight games played. In the Foothill Athletic League scramble the Lobos also split and wound up in third place.

The Green and Gold won four of their first five games but closed out the campaign with three straight setbacks.

After splitting a pair of practice tilts, the Wolves opened the FAL by racing to the top of the heap with three consecutive triumphs. Beating Alhambra, Del Valle and Acalanes, Piedmont burst the bubble and then Las Lomas and Miramonte heaped consecutive losses on the Wolves.

Ten Wolves earned All-League honors--three on the FAL's offensive squad and two on defense. Offensively, junior Jim Parker was named first team halfback; Jim McIver, guard; and Ron McLaughlin, end. Defensively, quarterback Chuck Fereira and tackle Rick Smith won first team berths. Honorable mention went to Preston Patterson, Dave Harris, John Evans, John McMillen and Jim Nicolaisen.

Teamwise player of the year trophies went to Chuck as outstanding back and Rick as outstanding lineman. Statistically, Parker led the Wolfpack in total yardage gained with 540 for a 5.5 average per carry. Fullback McMillen, with 328 yards gained, was tops in touchdowns with five for 30 points.

In the passing department Chuck hit on 23 of 53 tosses for a 43 per cent pitching mark. Along with Wayne, the pair threw three TD passes apiece. Flanker McLaughlin was a favorite target with 12 catches, three good for six pointers.

Wolves Split Practice Pair . . .

Rod Schumann (40) intercepted a fourth period pass in the Del Valle game as the Wolves rolled over the Trojans 19-0. Jim McIver (64) and John McMillen (31) get ready to block for Rod.

SR 30, Livermore 7

The 1963 Wolf varsity opened the season in impressive fashion by routing the tough Cowboys of Livermore, 30 to 7.

Fullback John McMillen and Mike Skinner each tallied first half touchdowns as the Lobos ran up a 12-0 halftime edge.

Quarterbacks Wayne Canterbury and Chuck Fereira went through the air in the second half for the final three scores. Wayne hit end Ron McLaughlin for TD's of 11 and 12 yards, and Chuck combined with halfback Jim Parker for a 35 yard tally for the final six points.

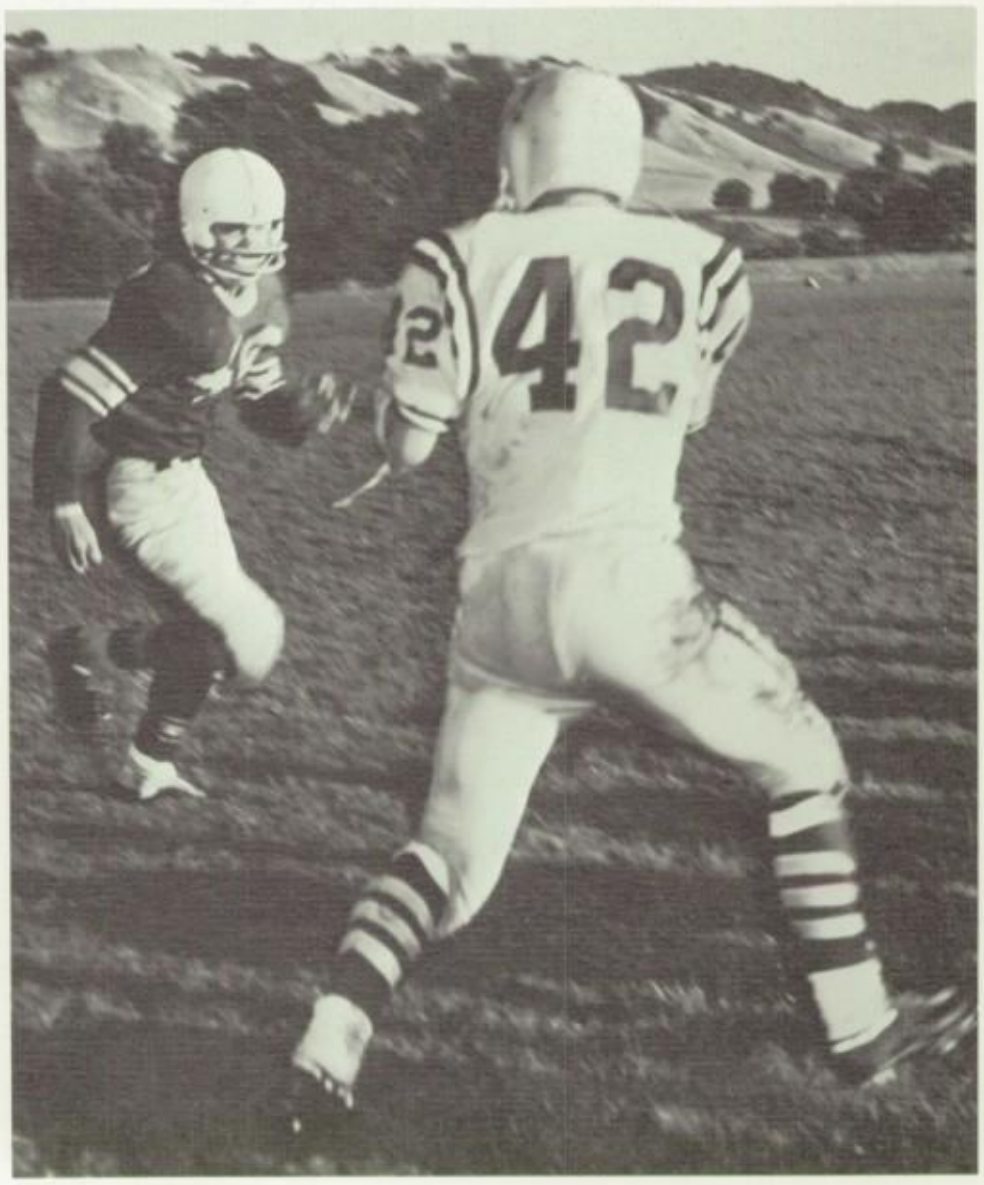
The Lobo line put up a solid defense led by Rick Smith, Preston Patterson, Hank Maguire, Jim McIver and Dave Harris.

SR 0, Antioch 3

A second quarter Panther field goal held up as DVAL Antioch dealt the FAL Wolves a 3 to 0 setback in the second practice contest of the season.

The tough Green and Gold forwards held the big Panthers at bay throughout the game, but the sputtering SR offense never could get rolling.

The bright spots were the defensive work of Ron McLaughlin, who stole a sure TD away from Antioch; and ball hawking John McMillen; who recovered a fumble to stop a Panther drive and played a rugged game at linebacker.



Halfback Cliff Simmen (42) made a sizeable gain in the Del Valle tilt.

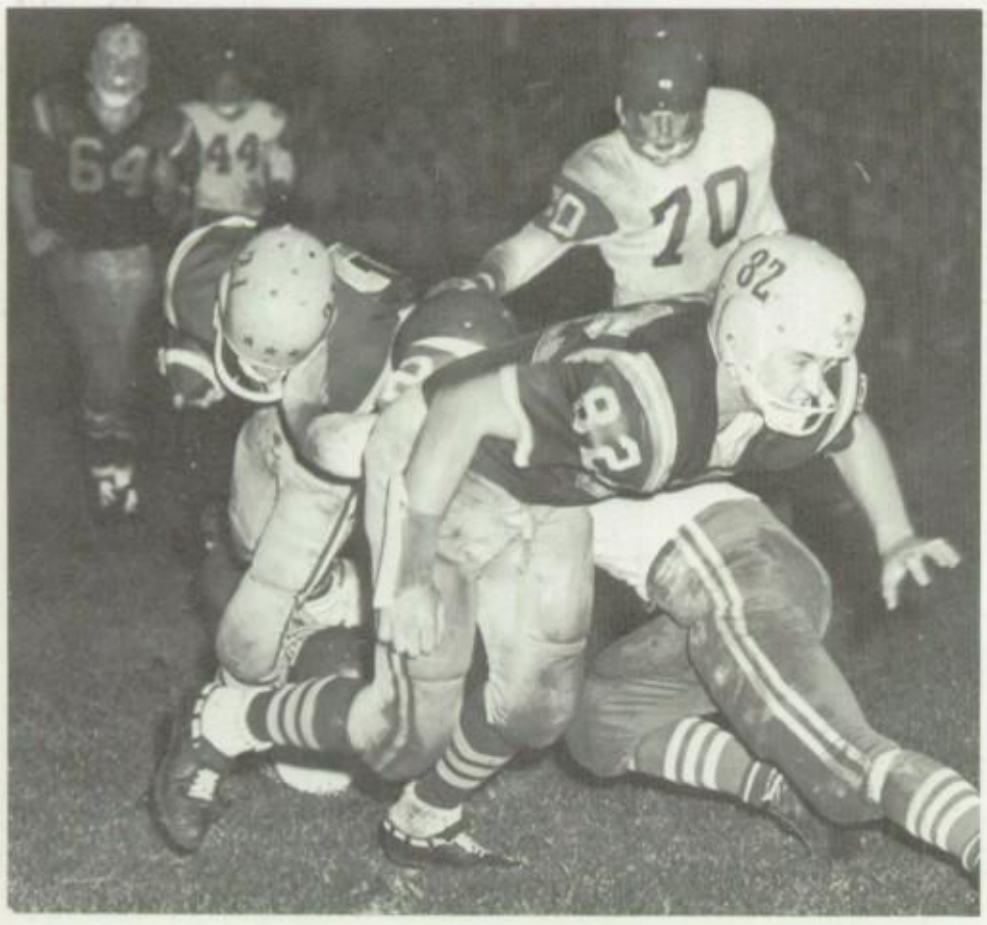
Open FAL Season With Three Wins . . .

Jim Nicolaisen (82) and Rod Schuman (40) come up to aid team mate Chuck Fereira (10) in bringing down Don ball carrier in Lobos 14 to 7 victory over Acalanes.

SR 13, Del Valle 6

The Wolves struck quickly in the opening period and added the clincher in the fourth quarter to win their second straight league encounter from Del Valle's Trojans.

QB Chuck Fereira passed to HB Cliff Simmen, good for 36 yards, and the initial score. Parker broke through the middle and raced 50 yards for the winning tally. Guard McIver hit one for two in the conversion department.



SR 19, Alhambra 13

Fullback John McMillen plunged over from the one in the final 36 seconds of the game to give Coach Housten's Wolfpack a come-from-behind victory over Alhambra in the FAL opener.

HB Jim Parker tallied the first SR touchdown in the opening minutes and Jim McIver converted. But, then the Wolves had to fight for their lives as the aroused Bulldogs went out front 13-7 in the third period.

The Wolves then put on their rallying finish as McMillen scored the deadlocking TD and the eventual winning six.

Wingman Ron McLaughlin (85) made a leaping catch over Las Lomas defender, but San Ramon still wound up on the short end, 27-6.

Nicolaisen (82) leads interference for halfback John Evans (21) for a big gain in the victory over Acalanes. Jim McIver (64) encourages mates to GO! GO!

But, Then Drop Final Three Contests

What appears to be a ballet proved a defensive gem as Wolf defenders Chuck Fereira (10) and Ron McLaughlin (85) bat down an Acalanes pass. John Evans (21) makes it a three on one situation.

SR 14, Acalanes 7

A pair of aerial bombs scorched the Acalanes Dons and put the Wolves atop the FAL ladder with 3 and 0.

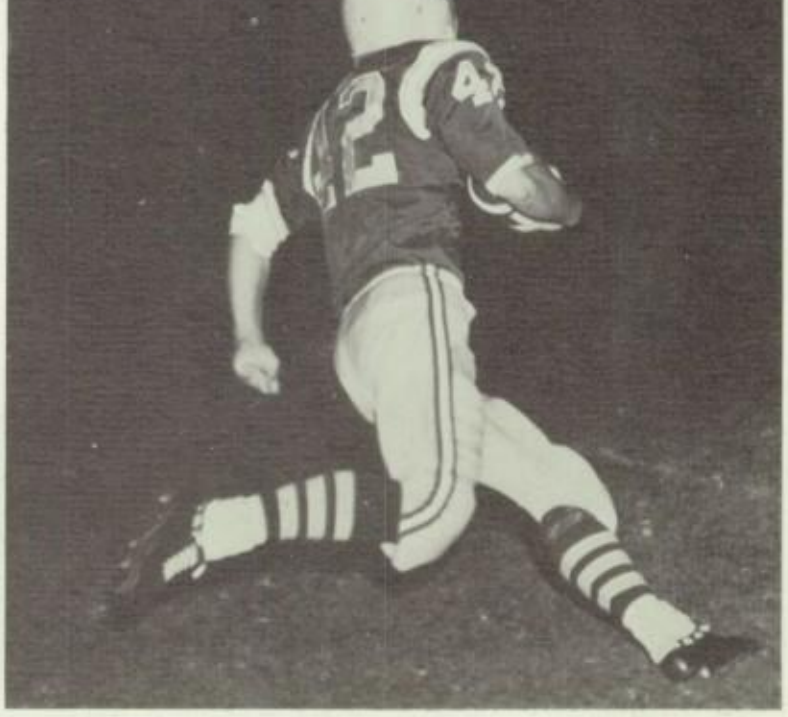
Down 0-7, QB Chuck Fereira evened the count with a 25 yard pass to HB Cliff Simmen to set up the first SR tally. FB John McMillen crashed over and Jim McIver converted.

The "atom bomb" was a 52 yarder from Chuck to end Ron McLaughlin, and McIver's second PAT ended the game's scoring.

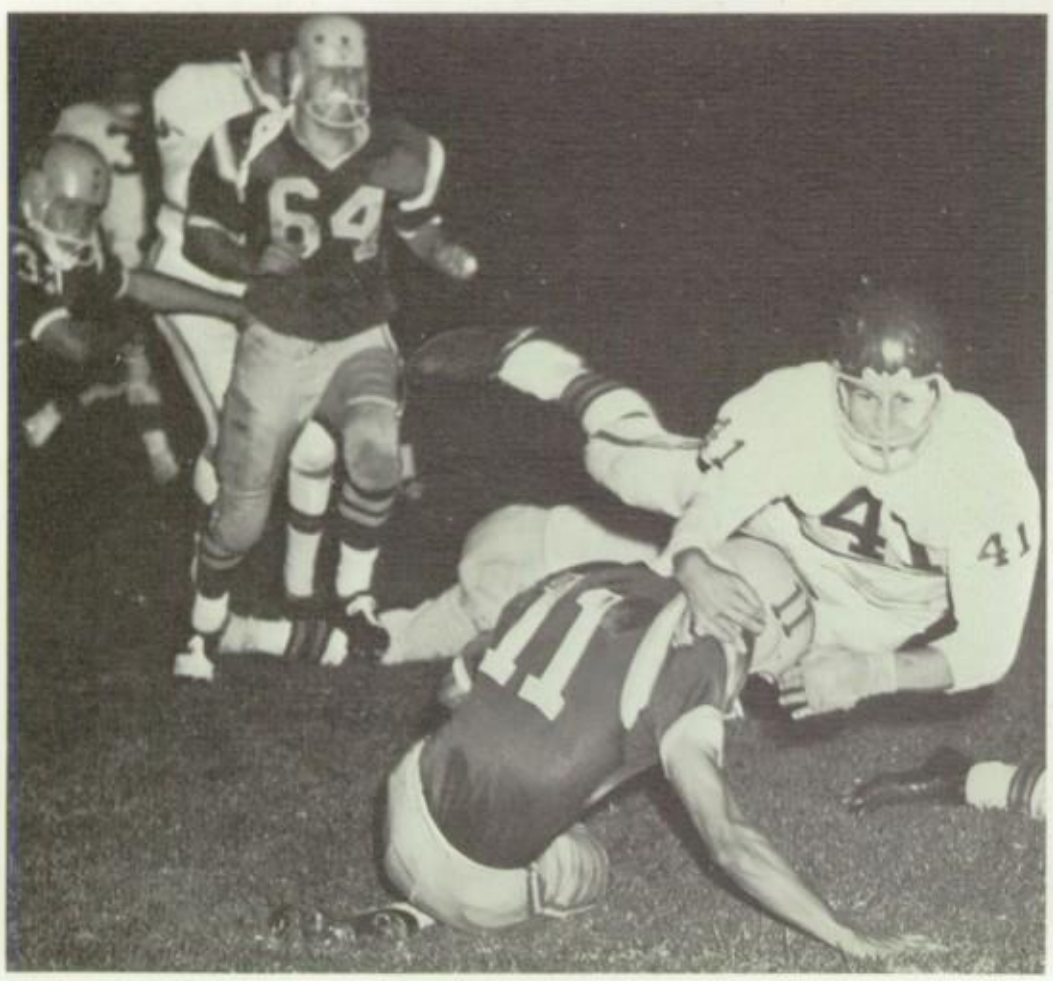
SR 18, Piedmont 27

In a wild scoring contest Piedmont's explosive Highlanders handed the Wolves their first FAL loss.

Quarterback Wayne Canterbury passed to halfback Jim Parker for one touchdown; fullback John McMillen plunged one yard for the second; and, Wayne scampered six yards for a third.

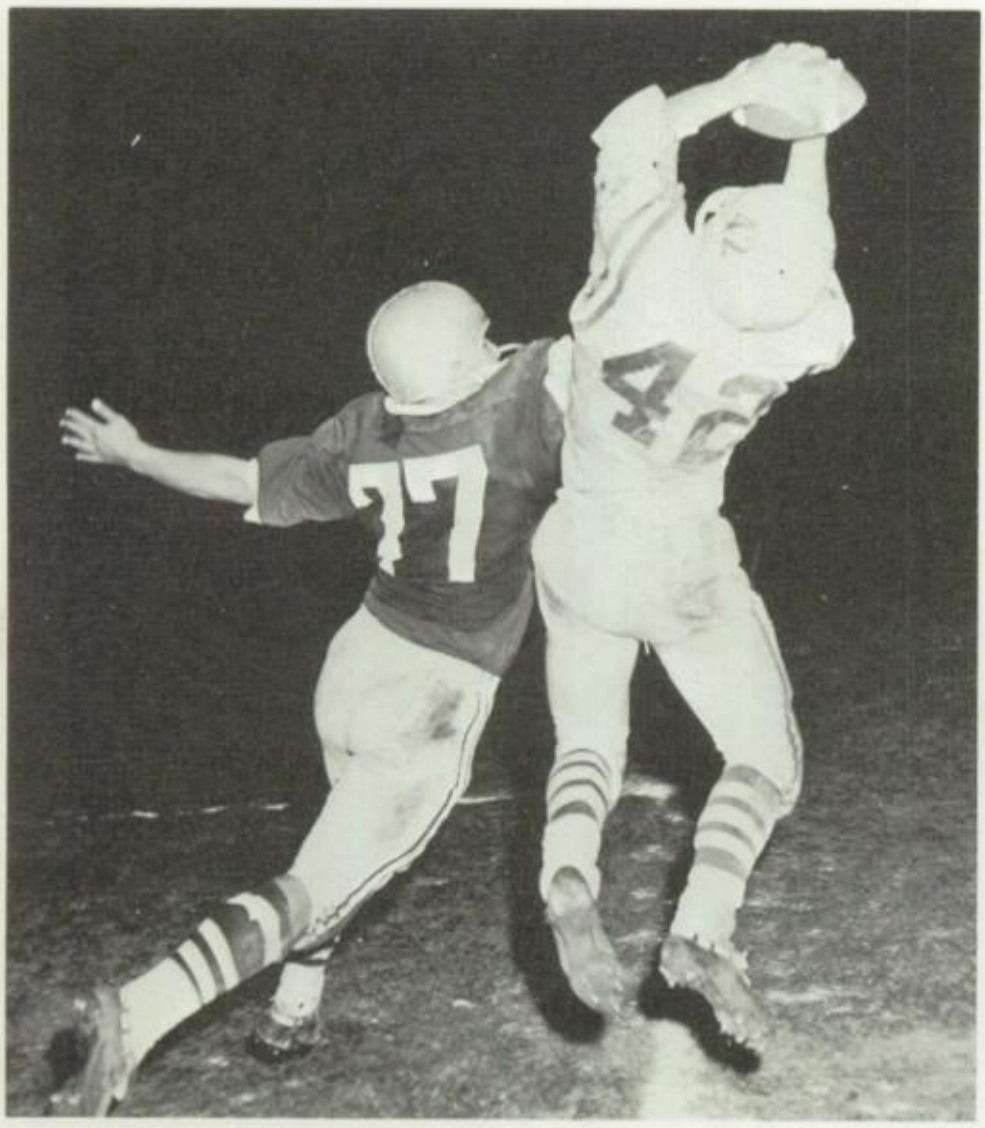


Cliff Simmen (42) reels off a first down against Alhambra.



Jim Parker (11) seems to be stopped cold on this play as Jim McIver (64) says "leggo" and John McMillen (31) also disapproves of the rough treatment. The action occurred in the loss to Las Lomas.

To Wind Up in Third Place

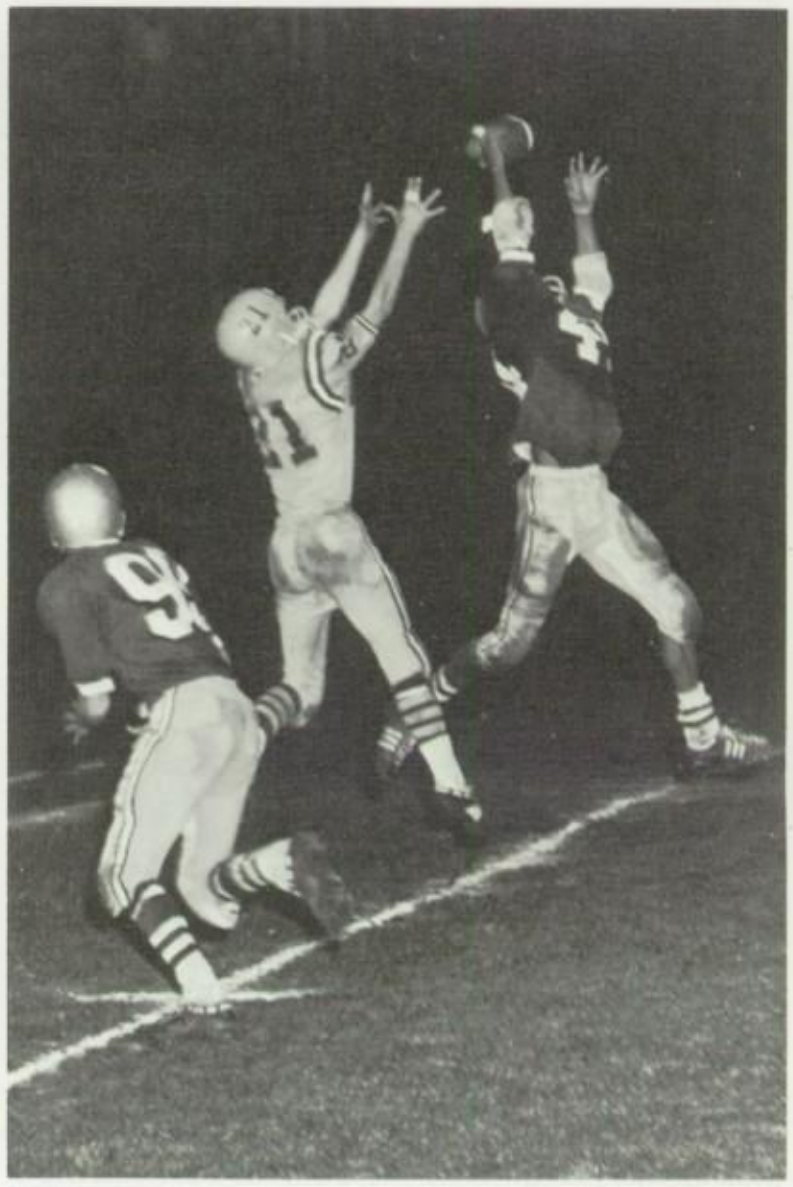


Cliff Simmen (42) makes a sensational catch against Piedmont, altho the Wolves lost a free scoring battle, 27-18.

SR 6, Las Lomas 27

The Lobos scored first but certainly not last as Las Lomas gave the Green and Gold another Knight-mare in the "Big Game."

With Cliff Simmen and Jim Parker biting off big chunks of yardage--with Jim going over from the four--it was a short lived lead as LL, headed for a co-title, had too much for the Wolves.



John Evans (21) reached high to defiect pass away from Piedmont receiver.

This could have been the winning score but the ball was deflected from the outstretched hands of end Ron McLaughlin (85) as Wolves were edged by Miramonte, 7-6.

SR 6, Miramonte 7

In a muddy season finale, the Wolves threatened repeatedly but could tally just once and a missed conversion settled the issue.

Chuck Fereira sneaked over for the lone San Ramon touchdown in the second quarter. During the contest Jim Parker, an eventual All-FAL choice; gained 137 yards for a 5.1 average per play.

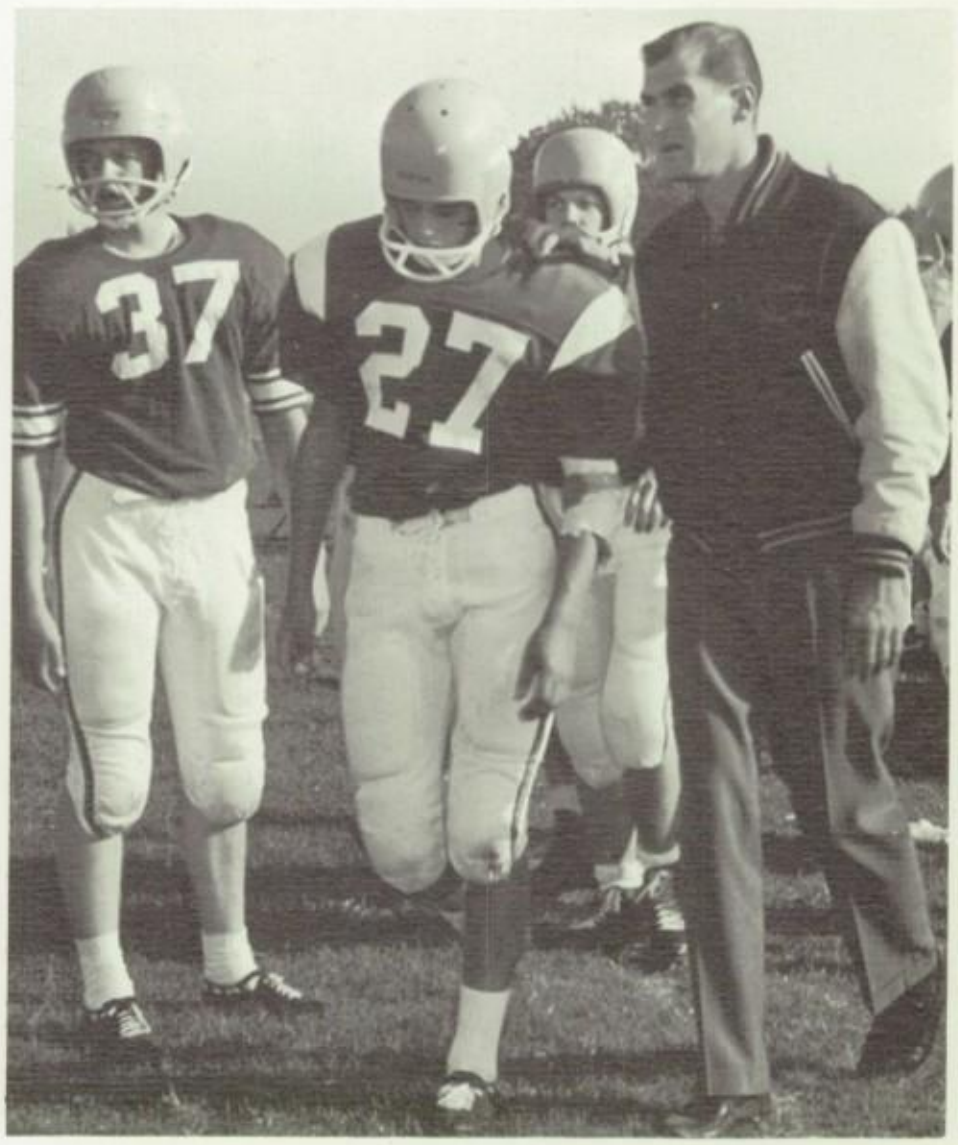
Cutting their eye teeth the hard way, the Wolfcub football team won a lone decision while losing six games in 1963. The Cubs eked out their lone triumph over Alhambra, 7 to 6.

Guard Gary Cockrill was named the outstanding freshman gridder, while halfback Ed Looney was the leading scorer with 12 points.

Season scores: SR 7, Alhambra 6; SR 0, Campolino 19; SR 7, Piedmont 20; SR 7, Del Valle 27; SR 7, Acalanes 9; SR 7, Las Lomas 18; SR 0, Miramonte 18.

John Casburn uses a straight-arm to elude tacklers as Gary Cockrill (37) and Mike Murphy (27) prepare to block.



Coach Church gives the low down to John Skaife (27) and John Casburn (37) before sending them back into action.

Reversing a 1 and 7 record in 1962, San Ramon's junior varsity eleven copped 7 of 8 contests in '63 to climb from the bottom to the top of the Foothill Athletic League JV race. The title had to be shared with Piedmont as the Wolves upended the Highlander JV's 13 to 6 but, in turn, fell to nemisis Las Lomas, 7 to 6.

Outstanding JV player award went to guard Rick Ponczek, while freshman Randy Pereira was the JV offensive spark. The 215 pound fullback gained 803 yards in eight games for a 100 yard average per outing. Fullback Les Fray led the JV's in scoring with 70 points.

Season scores included: SR 34, Livermore 6; SR 32, Alhambra 6; SR 26, Campolindo 6; SR 13, Piedmont 6; SR 32, Del Valle, 0; SR 38, Acalanes 6; SR 6, Las Lomas 7; and, SR 21, Miramonte 0.

Rick Ponczek (Top) was outstanding JV Player of '63.

Randy Pereira (Middle), leading ground gainer

Les Fray (Bottom), top scorer for season.

. . . '63 Team Wins 7 of 8 Games

Halfback Gary Ashworth bursts through for short gain as Jay Stenquist (33) and Randy Pereira (20) blocked at the line of scrimmage.

Ashworth goes down but Rick Ponczek (left) doesn't believe it, nor does quarterback Jeff Early (10).

for Second Straight Year . . . Varsity 4 and 5

Led by freshman Ralph Patten the frosh-soph cross team swept through their second straight undefeated FAL season with a 7 and 0 slate, and back-to-back championships. The varsity, plagued by sickness, still managed to finish with a 4 and 5 mark.

Highlight of the campaign was the varsity's first place finish in the North Coast Division IV meet. In the league meet the frosh-soph place second and the varsity fourth.

Senior Dave Anderson set a new SR course record of 10:24.6, was first in the B Division of the Sacramento Invitational, second in the North Coast Division meet, and most valuable varsity runner.

Patten, who set three course records during the season, was first in the C Division in the capitol city meet as well at the league meet. The frosh standout was also selected MVP.

of S R Invitational

Though the varsity basketballers had the best practice record--four wins and four losses--in many year, the Wolves finished in the cellar with Del Valle in Foothill athletic League standings.

In the third annual San Ramon Valley Invitational Basketball Tournament the DeRushiamen reached the finals for the first time, by edging Antioch 55-53, but fell to the Diablo Valley Athletic league champion Pittsburg Pirates in the finals, 73-53.

Senior guard Chuck Fereira was again the leading scorer for the season and had the Wolves high game total of 25 points against Alhambra. He scored 289 points for a 14. 4 per game average. Ron McLaughlin, at guard, was runnerup with 218 points, while Pat Ozenne, at forward, tallied 190.

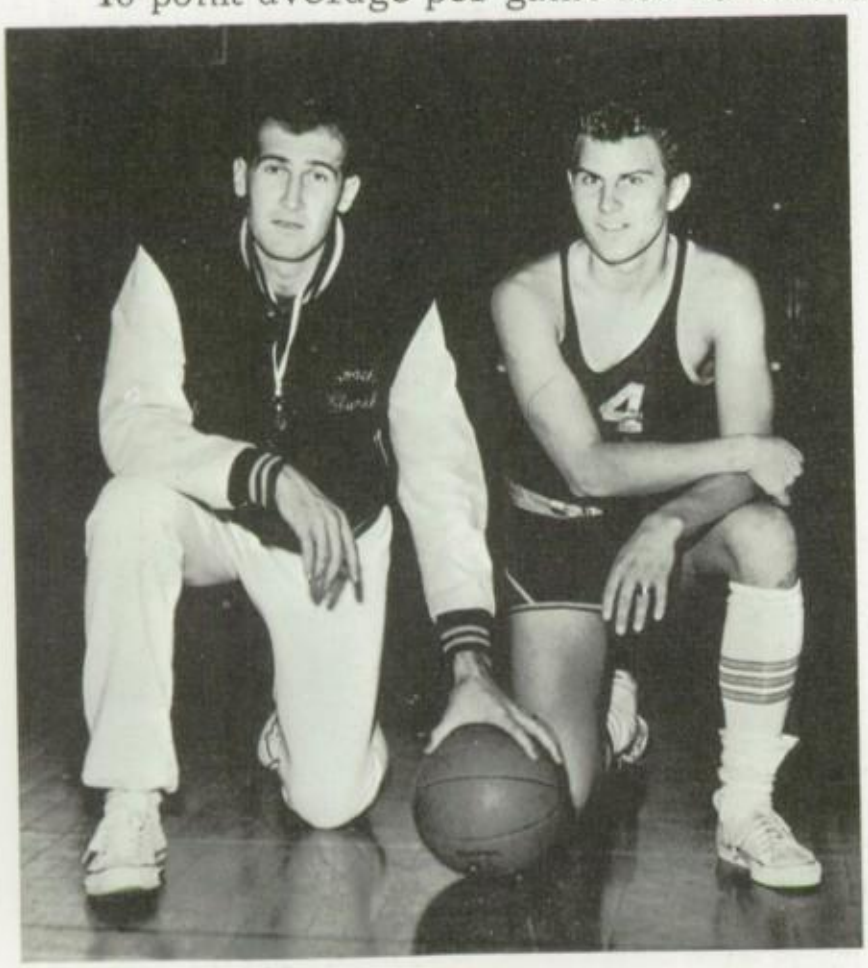
Junior Varsity Cagers Settle for Fourth Place in F A L Chase

In FAL play the San Ramon Junior Varsity cagers settled for fourth place with seven wins against seven losses for the 1963-64 campaign. Overall, Coach Church's club was 8 and 12 for the season.

Statistically, five-foot, nine-inch Don Weir topped the team in scoring with 200 points, followed by Don Mueller with 182 and Randy Pratt, team captain, with 155. Weir had a 10 point average per game for 19 contests.



Individual game high also was turned in by Weir who talled 23 points against Campolindo. The junior had 18 at the expense of Acalanes, which was matched by center Doug Thompson and Mueller--oddly enough, both having a hot night against Del Valle

Even though they had a losing season of two wins and seven losses--two and five in league play--the frosh basketballers of Coach Rano gained valuable experience for their JV and varsity years ahead.

Ted Nelson was the Most Valuable frosh player and was runnerup to Marty Waldeck in total scoring. Ted rang up 47 points to Marty's 56 for the season.

Losing only the No. 1 and 4 men from the 1963 Foothill Athletic League championship team, Coach Church's 1964 golf team had the nucleus to repeat as loop titliests.

Randy Hammond and Pat Ozenne, both juniors, fought for the vacated No. 1 spot, while veterans Scott Beem, Bruce Lehmann, Jim Lingenfelter and Sandy Friden battled for positions three through six. They were pressed by newcomers Lou Plummer, John Balaam and Jack Pingree-the latter pair freshmen.

. . . but, '64 Tennis Squad Faced Tough Job

Rebuilding for Vincentmen

With the loss of No. 1 man Gary Crabbe, Coach Vincent's tennis team for 1964 faced the job of building a contender with four lettermen and a squad dotted with frosh and sophs. Rich Almassy, the lone junior on the team, moved into the top position while sophs Mike Puckett and Brett Stone along with senior Dave Ditto battled for No. 2, 3, and 4 spots.

The rest of the positions through No. 9 were up for grabs among Wayne Canterbury and Jim Hill, seniors; Erik Oestreich, Roger Hill and Mike Ricketts, sophs; and Bill Parrish and Kerry Ricketts, freshmen.

Coach Vincent shows stroke to Brett Stone.

Ten Lettermen Brighten Coach O'Gorman's

Beginning his 10th year of coaching at San Ramon, Mr. O'Gorman looked ahead to the '64 season with optimism as 10 lettermen gave the Wolf nine hope of a high spot in the FAL pennant race.

With a veteran at every position the questions were--consistent pitching, good fielding, and timely hitting? If they had all three it could have been a title for the O'Gormanmen.

Phil Kreibel, All-League shortstop in 1963, headed the potent array along with hard-hitting Tim Stewart, and honorable mention last season. The rest of the nine included: Rick Lang, 1b; John McMillen, Don Weir, Bill Davies, 3b; Steve Cryer, 2b; Ric Smith, c; Tom Angelo, lf; Stewart, cf; Don Mueller, Stormy Waldeck, rf; and Greg Pereira, Jeff Early and Waldeck, pitchers. Utility included: Gary Sargent, Stu Buttery, Jay Peays, Skip Dunivan, and Curt Barker.

Lobo Cindermen Deep in Hurdlers . . .

Wolf hurdlers - Alan Feia, John Evans, Don Margraf, Chris Horsley, Jim Parker, and Greg Morse.

'Big IFS' in '64 Picture . . .

There were a lot of "Big IFS" in the Wolves 1964 track and field aspirations. Coach Gower's cinder team had good all-around strength but until it was tried against the likes of powerful Piedmont and Acalanes--both powerhouses in FAL track circles--the questions would remain unanswered.

Mike Skinner, senior team captain, headed the array of sprinters that included Bill Cady and Wayne Morris. Another senior letterman, Wayne Woodside would be a point getter in the 440, and help was counted from juniors Tom Dannenberg and Randy Pratt.

Dave Anderson, who qualified for the State meet in '63, would be lost until after Easter vacation because of a heel operation, so that the 880 chores rested on senior John Blades or Cady.

The Wolves were strong in the hurdles with Don Margraf and Chris Horsley in the highs, and Alan Feia, Jim Parker and Greg Morse in the lows.

Ralph Patten, a freshman, and Steve MaCartney in the mile, and Nicky Scotchler and Dave Rabbs, a soph, were hopes over the long distances.

Coach Gower talks over track strategy with ass't Coach deBellis and Captain Mike Skinner.

Sprinters, Distancemen Are Question Mark?

And, sprinters Bill Cady, Steve MacCartney, Dick Alhmann, Tom Dannenberg, George Frazier, Craig Capling, Brett Stone, Nicky Scotchler, Bill Kloos, Wayne Woodside.

A second BIG question was the Green-and-Gold field men who would have to add their share of point getting if the Wolves were to finish high in FAL dual meet and league meet competition.

A pair of juniors in Bob Wilbur and George Stauffer headed the shot putters along with freshman prospect Randy Pereira. Skinner, besides his sprint duties, is considered the best of the SR discus tossers with help from huge Gerald Wolff, 6. 5, 265 pound transfer.

In the jumping events soph Tom Noy was the bright spot in the broad jump with plenty of competition from Larry Stolzy and Margraf. Noy and Margraf doubled in the high jump with senior John Evans.

Six Varsity, Seven "B" Lettermen Return

With the season just under way, the Wolf watermen boasted six returning varsity lettermen and seven "B" veterans. Coach Mansfield, along with assistant Mr. Stroebel, were pessimistic concerning the '64 campaign as the team lacked depth as well as experience in too many events.

Varsity strippers included: Gary Ashworth, diving; Bob Clottu, backstroke; Pete Cronin, Dave Cook, Jim Goeckermann and Wayne Morrison, freestyle. The returning Cubs were: Craig Thomas, Greg Szebeley, Larry Bradley, Barry Bell, Mike Duhan, Rich Dahout and Mike Phebus.

Block S. R. Society

Block S. R. Society is composed of successful athletes who have been awarded letters in varsity sports. The club is organized at the beginning of the school year and meets several times during the year to discuss athletic problems and regulations for wearing of awards. Other activities of Block S. R. include a Block S. R. night, a picnic, and Block S. R. Dance. One of its most valuable contributions is the establishment of training rules and regulations for boys who are out for sports.

Officers for the 1963-64 years included: Ron McLaughlin, president; Bob Sessions, vice-president; Rich Lawton, secretary-treasurer; and Chuck Fereira, sergeant at arms. Mr. Gower is Block SR advisor.

MANY THANKS

. . . to Beem Studios, who captured the year in pictures.

. . . to the generous merchants of Danville, whose financial support helped publish the largest yearbook in El Lobo history.

. . . to the understanding faculty and administration, who excused our mistakes and interruptions.

. . . to the hard-working El Lobo staff, without whose help this record of a year of memories could not have been published.

. . . but most of all, to Mr. Rutherford, whose patience and guidance saw us through hectic schedules and hard-to-meet deadlines to produce this, the 1964 El Lobo.

Sincerely,

Martha Maynard

1964 Senior Activities

Senior Ball: The Diablo CC site of 50th Ball

Preston Patterson, decoration chairman, shows Ron McLaughlin how it's done.

The big "50" is slowly and carefully hoisted up.

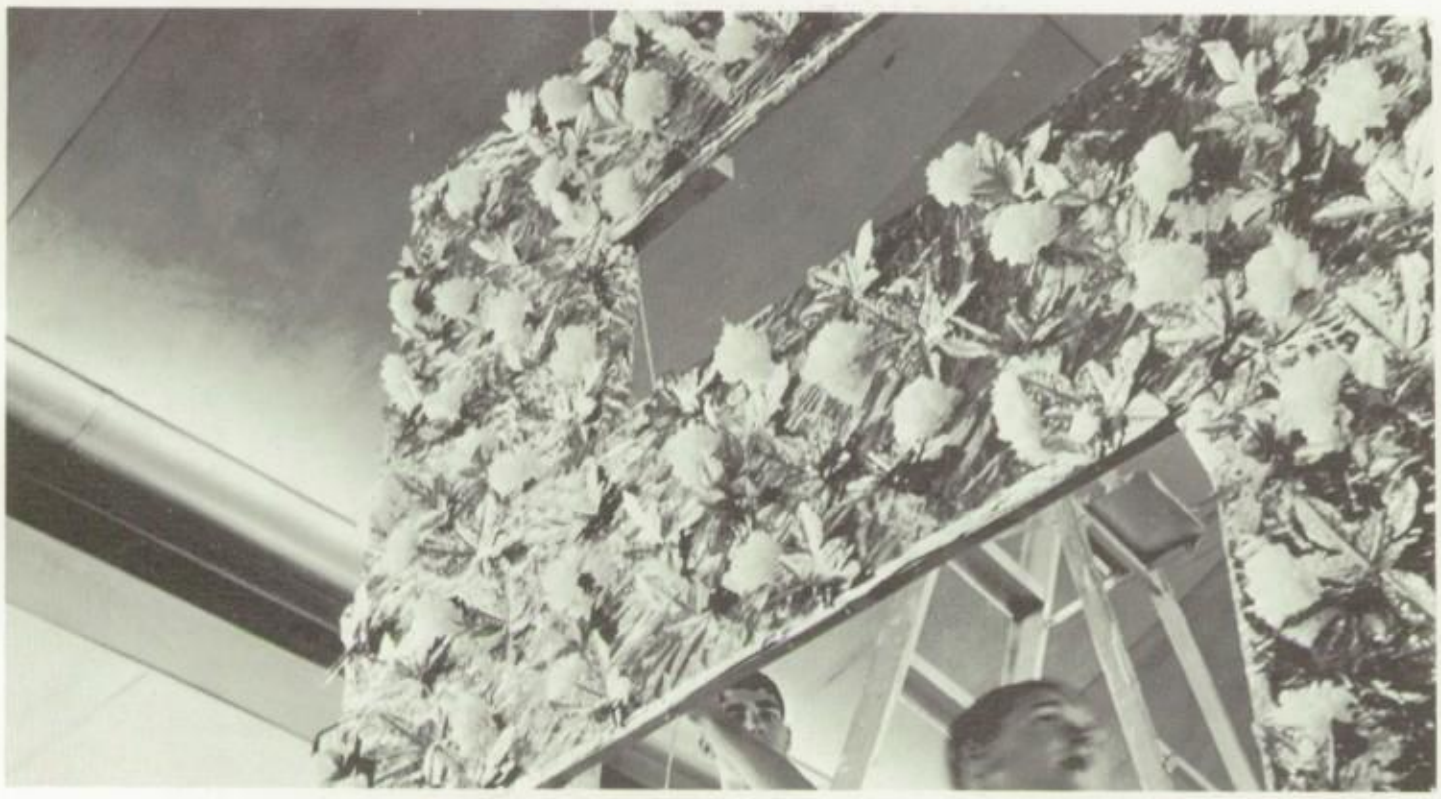
Meanwhile, back in the bushes, Mary Weisend and Rod McCall hurry to finish on time.

Senior activities for the Class of 1964 actually began on May 29, the date of the annual Senior Ball. The big event was held at the Diablo Country Club from 9 P.M. to 1 A.M. The theme of this year's dance was "Golden Cotillion" and preparations were many.

The dance floor itself had the air of an old southern plantation with floral-covered trellises and white wrought-iron lawn furniture forming its border. At one end of the long hall a large golden "50" was located in honor of the fiftieth graduating class of San Ramon.

The couples who attended were entertained by the music of Howard Fredric and his band to complete a perfect evening.

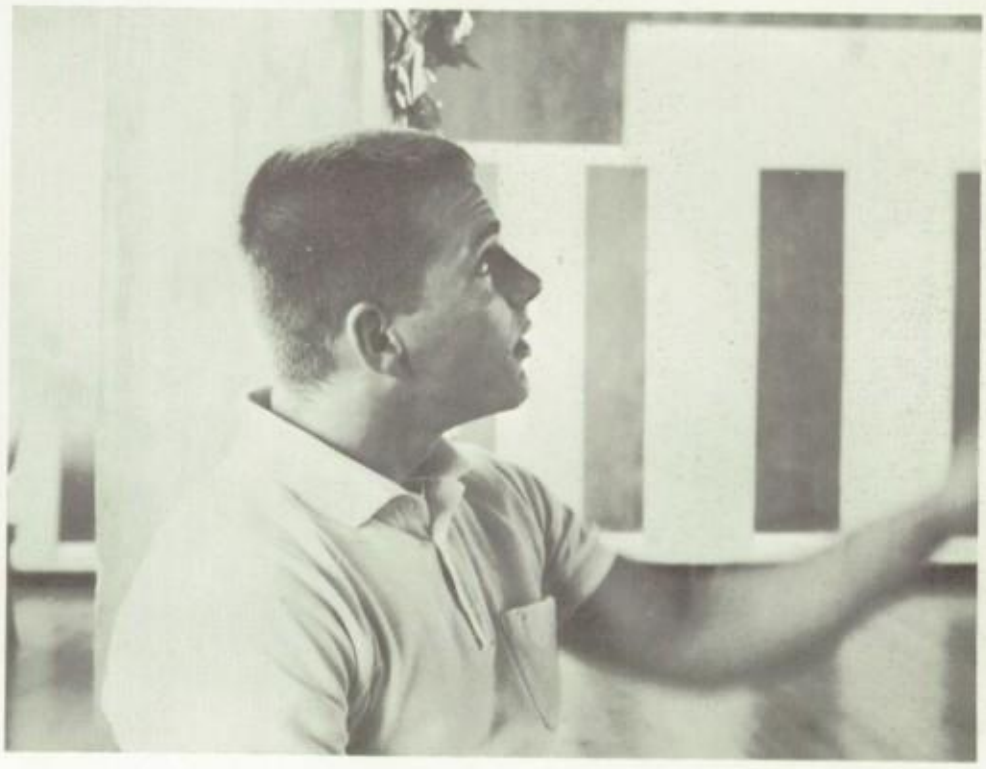
day of preparation . . .



The Golden "50" is finally lifted into place.

Ron gives it a final tug.

Aided by Mike Moreland, Ron ties a secure knot to finish the job.



The work completed, Jim McIver confidently eyes the masterpiece.

. . . and the "Big" night

The teachers enjoy the music before the seniors and their dates arrive.

Becky Bailey and Senior President, Bob Trevarrow lead off the Grand March.

More couples make their appearances as the March continues.

Mitzi Halvorsen and Craig Lazzareschi pass through the giant "50".

Still more couples are announced by Bob Trevarrow and Willard Schulte.

of fun and dancing.

The Grand March continues.

God Bless You!

Spaghetti feed followed rained-out picnic.

After a rained-out picnic and a hot spaghetti dinner, seniors look wet and tired, but happy.

Watch out, Ken!

The annual Senior Picnic was to have been held at Turtle Rock Ranch on Mt. Diablo on June 8. However, pouring rain forced the seniors to retreat to the Boys' Gym where yearbooks were distributed.

After a disappointing Senior Picnic, the P. T. A. sponsored a spagehtti feed in the Girls' Gym for a bedraggled-looking group of seniors. It was an evening highlighted by yearbook signing, talking, and much eating.

Yearbook signing continues as seniors slowly leave the gym.

Rainy weather continued and ceremonies for the Class of 1964 were held in the Boys' Gym instead of on the football field as had been planned. The commencement exercises began at 8:30 on the evening of June 9. The 335 seniors filed into their seats to the refrains of the Grand Triumphal March and then heard the invocation.

Student speakers included Bob Trevarrow, Senior Class President who welcomed all in attendance, Sue Reynolds, Jann Goldsmith, and Marian Van de Water. Next the band played two selections in honor of the band members of the Senior Class. Awards and diplomas were then presented by Mr. Cozens, Mr. Von Wald, Mrs. Garrison, Mr. Heuer and Dr. Schulte. Then as graduates of San Ramon High School, the Class of 1964 proceeded on to Diablo Valley College for its Senior All-Night Party.

The Class of 1914 is also honored.

Following graduation ceremonies in the Boys' Gym, a group of happy San Ramon graduates attended a party in their honor from midnight to 4 A.M. at Diablo Valley College. All in attendance (exclusively seniors) danced through the early morning hours to the music of The Excellents and the popular singing voice of George Sharkey.

Door prizes were given out every hour and included hair dryers, record players, typewriters, radios, and records. As the party slowly drew to a close, the Class of 1964 departed from San Ramon with memories to last a lifetime.

Varsity trackmen 4 and 4; Anderson qualifies for State meet for second year . . .

Dave Anderson, Mike Skinner and Wayne Woodside were the outstanding tracksters as the San Ramon varsity track team had a four and four season, with a two and four mark in Foothill Athletic League dual meets. The Cubs won five and lost three, with a four and three record in league competition.

Steve Kerfoot, B hurdler, takes final barrier on way to first in dual meet competition.

Anderson ran in the State Meet for the second straight year and registered a 1:53. 8 half mile-second fastest in East Bay history, but failed to place in the talented field.

Skinner advanced to the North Coast meet in the 100 yard dash. His fastest time of the year in the century was 9. 9. Woodside set a school standard in the 660 and was the "B" North Coast champion in that event.

Wolf nine fifth in '64 race

San Ramon's varsity nine finished out the '64 season in fifth place with eight wins and eight losses. Jerry Miller, the season's "sultan of swat" was named to the All-League second team. Soph standout Bill Davies was given Honorable Mention along with Most Valuable Player Don Weir.

Only two players managed to hit above the .300 mark. Miller at .384 and Davies with a .324 average.

Dave Huff, 6.4 JV hurler, goes into windup in FAL baseball action.

JV's third with 8-5 mark

Led by the hitting of Russ Mollath, MVP Ken Loveland, Stu Buttery and Ron King, and the hurling of Marc Jones, Dave Huff, Gary Berquist and Marty Waldeck, Coach Simon's JV nine amassed eight triumphs and a tie with only five defeats for a third place in FAL standings.

Highpoint was Mollath's figures of 26 RBI's, 19 hits and a .655 batting average. Russ showed his power with a .862 slugging mark.

"A" swimmers second, B's sixth in F A L

Short of depth and experience the varsity swimmers managed to salvage the runnerup spot in FAL dual meet competition, while the Cubs settled for sixth place. Netters third in loop race behind Miramonte, Acalanes . . .

Coach Vincent's tennis team won seven of ten matches during the '64 season. In league the netters were four and two for third place in the standings.

Rich Almassy and Mike Puckett were co-winners of the Most Valuable Player award--both winning the same number of matches.

Duffers battled for title right down to final match—

Most Valuable Player Bruce Lehman paced the Wolf golfers into the FAL lead until they dropped into third place behind Miramonte and Del Valle by losing their final match to the Trojans.

In the league tournament Lehman failed by one stroke to win a position on the all-league team but spearheaded the Wolves to a second place finish in the tournament.
